BRIX	22..5-23.5	PH	3.62
ALCOHOL	13.3 % by Vol		
PRODUCTION	2500 cases (12X750ML)		

PLACE

The fruit for this Pinot Noir come from several different vineyards in the Salinas Valley. All of these sites experience very strong marine influence which combined with ancient glacial soils consisting of sand, gravel, limestone and shale loam, help create wines with bright acidity, vibrant fruit and medium wight and texture.

WINEMAKING

- The grapes were mostly de-stemmed with 15% remaining whole clusters.
- Fermented at cool temperatures in small open-top temperature controlled tanks.
- The wine was aged on its lees for 10 months in neutral French oak barrels
- Racked to tank and allowed to settle for a month prior to being bottled .
- Unfiltered and unfined.

AROMA *Kirschwasser, strawberry-rhubarb pie, sage blossom, dried roses*

PALATE *Bing cherry, raspberry, pomegranate, cranberry, rosewater*

The regional blend of vineyard sites contribute to the complexity and delicacy of this classically inspired Pinot Noir formed from a near perfect California growing season in the Monterey wine region. The energy from the deep under water canyon gives this wine its name and influences the local climate that makes Monterey so good for Pinot Noir.
